Arrest Made for the Murder of David Krazel (B19-001035)

On Sunday, February 10, 2019, at approximately 9:18 AM; Bremerton Police were dispatched to the Stage Coach Mobile and RV Park, located on Kitsap Way in Bremerton regarding a 59 year old male, David Krazel, found deceased. The deceased male was discovered by his long-time live in girlfriend, Brandie Williams. After discovering the decedent, she called 911, of which both police and EMS responded.

The male's death had obvious wounds that were not consistent to statements made by Williams at the scene. BPD Detectives responded to the scene and took over the investigation. A search warrant was obtained for the residence and evidence was collected to support a homicidal crime. The Kitsap County Coroner investigated the deceased and confirmed he had died of homicidal means. Krazel died from multiple stab wounds. Based on the investigation at the scene, the original crime scene had been cleaned and many pieces of evidence were discarded in an attempt to disguise the cause of death. Many of these discarded items were later discovered by detectives, which help lead the investigation to the suspect.

The investigation led detectives to Brandie Williams where probable cause was established for the death of David Krazel.

On Tuesday, February 26, 2019, Brandie Williams was taken into custody. She was booked into the Kitsap County Jail for Murder 2 with a \$1,000,000 bail.
