2023 Excellence in Communications Award

- Congratulations to BKAT and the City of Bremerton Water Division for their contributions to the award-winning Water Purveyors Association of Kitsap (WaterPAK) Career Recruitment Video
- The WaterPAK video was recently selected for a 2023 Excellence in Communications award from the American Water Works Association (AWWA)
- The winning piece recognizes the video's goal of reaching out to the community and creating interest in water careers
- Lisa Campbell, one of the City's Environmental Technicians, helped script and participated in the video, and another Environmental Technician, Teresa Smith, had a few cameo appearances
- The AWWA award is being presented tomorrow night at the regional conference in Kennewick
