*ARPA is the American Rescue Plan Act that provided grant funding to the City of Bremerton to address economic stabilization for households and businesses. The Project Review Committee recommends utilizing some of these funds to support work that implements the intention of funding.

Project Review Committee (PRC) recommendation for funding contingencies if City Council accepts the recommendation to utilize ARPA expenditures:

If the amount of CDBG Funding is less than \$450,000 then:

PW&U receives a reduction in the amount of their award equal to the annual award reduction. The Parks grant maintains award at 100% of request.

If the amount of CDBG Funding is more than \$450,000 then:

Additional funds roll into next year's process.
