

**CITY OF BREMERTON  
PUBLIC WORKS AND UTILITIES**

**SANITARY SEWER  
STANDARD DETAILS**

**TABLE OF CONTENTS**

<b><u>GENERAL STANDARDS</u></b>	<b>6000</b>
<b><u>MANHOLES</u></b>	<b>6001-6019</b>
Standard manhole (48" to 60")	6001
Special manhole	6002
(Inside) drop structure	6003
(Outside) drop structure	6004
Manhole ring and cover	6005
Ring and cover installation	6006
Manhole ladder and step	6007
<b><u>CLEANOUTS AND SAMPLE TEE</u></b>	<b>6020-6039</b>
Standard cleanout	6020
Sampling tee	6021
Cleanout for sewer force main	6022
Special beach lateral clean-out	6023
Emergency by-pass pumping port	6024
Standard cleanout end of sewer main	6025
<b><u>SIDE SEWER/SEWER LATERAL CONNECTIONS</u></b>	<b>6040-6059</b>
Side sewer installation (Gravity)	6040
Side sewer installation (Pressure to Gravity)	6041
Side sewer installation (Pressure)	6042
Side sewer connection to existing sewer main	6043
Waterfront side sewer installation	6044
Side sewer Marker post	6046

**TRENCH DETAILS****6060-6069**

Sewer trench	6060
Sewer pipe zone	6061
Encasement	6062
Sewer Main Concrete slope anchors	6063
Sanitary Sewer Pipe Clamp & Anchor Rods Concrete Blocking	6066

**BACKWATER VALVE ASSEMBLY****6070-6079**

Gravity backwater valve assembly Max 3'-0" deep	6070
Gravity backwater valve assembly Over 3'-0" deep	6071
Gravity backwater valve assembly Vault/MH Not Required	6072

**OIL AND WATER SEPARATORS****6080-6089**

Typical fuel station drainage	6080
Baffle type oil/water separator	6081

**GREASE INTERCEPTORS****6090-6099**

Typical grease interceptor	6090
Typical Grease Trap	6091
Multiple tank grease interceptor	6092
Dumpster Area Drainage System	6093

**GRINDER PUMP ASSEMBLY****6100-6125**

Grinder pump installation	6101
Typical circuit diagram	6102
WH 231-55 Grinder pump	6103
WH 231-73 Grinder pump	6104
Grinder Pump Valve box clean-out	6119
Collection Valve box clean-out	6120
Low Pressure connection to gravity sewer	6121
Low pressure clean-out end of main	6122
Multi-Directional low pressure clean-out (section view)	6123
Multi-Directional low pressure clean-out (Plan View)	6124

Low Pressure sewer main drop connection 6125

**SANITARY SEWER FORCE MAIN**

**6126-6139**

Connection to existing sanitary sewer force main	6126
Force Main Clean-out and tracer wire	6127
1" Air & Vacuum Release Valve Sewer Force Mains	6128
2" Air & Vacuum Release Valve Sewer Force Mains	6129
Sanitary Sewer Cast Iron Valve Box Assembly	6130
Sanitary Sewer Valve Marker Post	6131
