

MAYOR'S REPORT

December 20, 2023

BREMERTON
WASHINGTON

U.S. Navy Recognition

- Mayor Wheeler was presented with an Oar by a group of Navy Chief Selects to recognize the City's support of the Navy
- The Oar represents “rowing together” to support the Navy and Navy families
- The Chief Selects selected the Oar instead of a plaque as a token of their appreciation

Relayed by the Office of Naval Base Kitsap Commanding Officer Captain John Hale

Recognition and Gratitude

As we celebrate the season, we want to share our appreciation with all our active-duty military here and overseas, our civilian defense workers and our veterans for your dedication and commitment to protecting our national security.

Thank you for all you do for Bremerton and our great nation.

Happy Holidays!

Salvation Army Appreciation

Happy Holidays to our partners at the Salvation Army in Bremerton!

Thank you for providing shelter to support people in need in our community. Without the Salvation Army's help, we would have people without a warm place to sleep and on the streets this holiday season.

Best Wishes for a Happy Holiday Season

The holidays are a special time when we enjoy the spirit of the season, connect, and care for one another. Let us cherish the values we hold dear and encourage hope, compassion, tolerance and acceptance for all across our community.

From my family to yours, I send goodwill and cheer to all our residents and wish you a joyous holiday season!
