39 Local Elected Leaders Sign Fund Our Ferries Support Letter

The Puget Sound Regional Council (PSRC) delivered a letter to Governor Inslee and the chairs and ranking members of the Senate and House Transportation Committees of the Washington State Legislature signed by local elected leaders from across all corners of Puget Sound supporting robust investments in Washington State Ferries to urgently restore full ferry system service. To read the letter sent to state legislators, visit [39 Local Elected Leaders Sign Fund Our Ferries Support Letter | Puget Sound Regional Council \(psrc.org\)](https://psrc.org/39-Local-Elected-Leaders-Sign-Fund-Our-Ferries-Support-Letter).

The PSRC represents the King, Kitsap, Pierce and Snohomish counties region. Thank you to the Puget Sound Regional Council for their support on this issue!
