

MAYOR'S REPORT  
*December 4, 2024*

**BREMERTON**  
WASHINGTON

# Eagle Building Demo Update

# Eagle Building Demo Update

# Eagle Building Demo Update

# Haddon Park Renovation Update

- Pathways, curbing, parking area, sports court, picnic shelter, playground seat wall, and curbing – completed
- Installation of prefabricated restroom -- anticipated mid-February
- Preferred playground option approved by Parks & Recreation Commission at their recent meeting – delivery and playground installation planned mid-2025
- We will host a community build for the playground, and have neighborhood and community members involved in the process
- We anticipate a Haddon Park ribbon-cutting in mid-2025!

# Kitsap Lake Park Update

- Lake seat wall, upland pathways, stairs, and curbing for future playground - completed
- Boat launch and fishing pier – nearing completion
- Grading and repaving of parking lot, new low-land pathways for more accessibility, installation of picnic shelter – anticipated early 2025
- Irrigation and playground installation part of second phase – pursuing grant to help fund this work

# Winterfest

- About 800 people took part in downtown's annual tree lighting event on Sat., Nov. 30
- New this year! 3 food vendors and 8 craft vendors added to festivities
- Parks & Recreation department staff provided support in stringing lights, on-call troubleshooting and maintained rest rooms
- Great partnership with Sunny Jack Events, Downtown Business Association and our Parks Department on this year's event!
