

MAYOR'S REPORT
December 18, 2024

BREMERTON
WASHINGTON

Washington & 11th Street Improvements Construction Update & Temporary Traffic Impacts

- A daytime closure of NB Washington & WB 11th Street (including partial sidewalk closure) will be required **December 19th and 20th** for streetlight foundation installation
- No work or lane closures will occur between December 21 and January 5
- Work will resume starting January 6 with ongoing lane and sidewalk closures through the end of January and will include installation of RRFB flashing crosswalks and remaining sidewalk
- Streetlight poles are in fabrication and may not be installed until Spring 2025

STAY INFORMED

Governor Inslee's Proposed Transportation Budget

Governor Inslee released his proposed budgets for the upcoming biennium.

The following three items are included in the transportation proposal:

- Warren Ave Bridge
- Gorst Widening Project
- Parrish Creek Fish Barrier Removal
