**Bremerton Municipal Code 20.58.020 Criteria of Approval:**

Please provide as much detail as appropriate to support this application.

1. Is the proposal consistent with the City's Comprehensive Plan goals and policies?
2. Will the use comply with all applicable zoning and development standards and requirements including the availability of all needed utilities and services?
3. Will the proposal, along with any mitigation measures or other conditions of approval, avoid significant adverse environmental consequences?
4. Will the proposal be compatible with adjacent uses and surrounding neighborhood?

Please provide below (or on a separate paper) detailed explanations or other information that will assist in the review of your request and that will help show that your proposal meets the above criteria.
