

# WASHINGTON STATE CERTIFIED BACKFLOW ASSEMBLY TESTERS

*This list is provided to you as a courtesy and is not meant to be a recommendation or endorsement of any firm. This list does not include all Washington State certified backflow assembly testers. This list contains only certified testers who hold a current BAT certification, have submitted current test equipment calibration and have requested to be listed. The City of Bremerton expressly disclaims any responsibility for the quality of work or any other business aspect of the firms listed below.*
