Federal Grants - Community Development Block Grant

Applications are NOW OPEN for the 2019 Community Development Block Grant

To begin your application visit: <http://kitsap.fluidreview.com>

When you log into fluid review you will be able to find two application types: Capital, and Economic Development/Job Training/Microenterprise. Please select the application that best fits your project. All applicants who have never received Community Development Block Grants before, or have never used Fluid Review must attend the Technical Assistance Session. The TA session will take place on July 26th 2018 beginning at 10:00 am in the Mayor's Conference room on the 6th floor of the Norm Dicks Government Center. Applications will be due on August 17, 2018 at Noon.

2019 Request for Funding Proposals for Weatherization and Minor Home Repair

The City is requesting funding proposals for the City's Weatherization and Minor Home Repair Program. Please [click here](#) to view the 2019 RFQ. RFQ's must be submitted to Sarah Achaoui, CDBG Administrator by Noon on August 17, 2018.
