Cumulative Cases	18,805	664	5,090	4,156	2,908	5,976	11
Cases added	43	0	18	11	3	11	0

## Inclement Weather Preparation

- Street operations are fully staffed to respond to any weather situation, along with trained employees of other crews when needed
- Salt brine machine and salt supply are both in great shape and ready for preventative application
- 4 one-ton trucks and 5-twelve yard trucks are available for plowing, along with a 5-yard truck at the Parks Department. Additionally, 2-one ton trucks and 1-five yard truck are ready to apply deicer
- The “Snow and Ice Emergency Routes” map located on the public website have been updated for public information. When we begin applying deicer and plowing roads, citizens can watch all of it in real-time on our website at <https://www.BremertonWA.gov/1001/Inclement-Weather>.
- We are finalizing details to convert our plowing schedule from two 12-hour shifts over to three 9-hour shifts. This change will increase safety while reducing fatigue of employees. There will be no change to our level of service.

# Snow Routes 2021 / 2022

### Facilities

- Fire Station
- Police Station

### Snow Routes

- Primary
- Secondary
- City Limits
