Snow Event (12/26/2021 - 1/1/2022):

- Applied nearly 350 tons of sand on streets
- Applied approx. 48,000 gallons of salt brine
- “All hands-on deck” activity:
 - Assigned staff worked 3 shifts for 24-hr coverage throughout the event
 - All primary and secondary routes were plowed as well as many residential streets
 - Unusually cold weather complicated operations

- We will be reviewing the City’s snow response and making additional adjustments for future snow events
